

OIL DRI[®] PADS

DESCRIPTION

OIL-DRI universal pads are bonded and reinforced with cover stock for extra durability to handle both aggressive and non-aggressive leaks and spills. Strong bonded layers allow fluid to spread through the material quicker for the best absorption rate. Place the pads beneath Swisstrax tiles to quickly eliminate spills and stains. The 15" x 5' roll is perforated every 10" and can be easily converted from a 5' roll to six 10" pads.

BENEFITS

-  **SUPERIOR STRENGTH**
Bonded, will not tear apart under normal conditions. Superior retention to hold liquid in.
-  **NON-SLIP**
A safe solution to moisture.
-  **DO IT YOURSELF**
Quick to install or replace when necessary.
-  **SILENT STEP**
No click-clack.
-  **CHEMICAL RESISTANT**
Versatile for all liquids.
-  **CONSTRUCTION**
Composed of chemically inert polypropylene.
-  **100% RECYCLABLE**
100% incinerable to reduce disposal costs.
